About us
MIIT

Mar Thoma Institute of Information Technology (MIIT) was established in 2002 and is governed by Mar Thoma Educational Technical Training and Research Centre. The College is affiliated to the University of Kerala. MIIT is located in Ayur, on MC road which is approximately 48 kms north of Trivandrum and 32 kms from Kollam town

The institute is spread over 29 acres of serene and lush green campus, with excellent infrastructure and facilities for curricular and extracurricular activities. Hostel facilities are also available for boys and girls, in the campus.

The manager of the institute is Rt. Rev. Dr. Isaac Mar Philoxenos Episcopa, the Bishop of the Trivandrum- Kollam diocese of Mar Thoma church. The Institute is led by the Director and the Principal, supported ably by a team of faculty and staff.

Rt. Rev. Dr Isaac Mar Philoxenos Episcopa
Manager

The School of Information Technology (MCA)

Established in 2002, the School of Information Technology offers a Masters degree program in Computer Applications (MCA). The program focuses on software development, system design, and network administration, equipping students with practical skills through labs, industry partnerships, and project-based learning to address real-world IT challenges.

The School of Management (MBA)

Established in 2010, the School of Management offers a Masters degree program in Business Administration (MBA). The program emphasizes business acumen, leadership, and strategic decision-making, utilizing workshops, case studies, and experiential learning to prepare graduates for leadership roles in various business environments.

Director
Dr Simon George

Dr. Simon George, MSc, MBA, PhD, joined MIIT as Director in June 2024. Earlier, he was professor at the prestigious TA Pai Management Institute (TAPMI) , Manipal for 32 years, the last 10 years as Dean. As Dean, he 'championed' TAPMI in getting the prestigious international accreditation called AACSB- first b-school in India. He is a distinguished academic who authored several papers, compendiums and books. He has published a Case book, which is used in many b-school case discussion classes.

He has successfully guided 7 scholars for PhD. He had taught in Oakland University in Michigan, US. He is trained at Harvard Business School, Boston on Case method of teaching. In TAPMI, Dr. Simon was instrumental in designing the 2 year Post Graduate program in Health care management – the first b-school. He was instrumental in facilitating collaborations of TAPMI with the prestigious Asian Institute of Technology, Bangkok and the Asian Institute of Management, Manila. He is a passionate trainer conducting Executive training programs for Corporates, and several Faculty development programs for -b-school faculty.

Principal
Dr V Ambilikumar

Dr. V. Ambilikumar, M.Com, MBA, Ph.D., is a former Professor, Director, and Dean from the Kerala University of Fisheries and Ocean Studies (KUFOS) with 32 years of teaching and research experience. He headed the Department of Business Administration and Management, served as Director of the School of Management and Entrepreneurship, and was Dean of the Faculty of Fisheries Management. He earned the first Ph.D. in commerce from the University of Kerala in 1990 and supervised nine Ph.D. scholars.

Dr. Ambilikumar has represented KUFOS in numerous forums, served as a subject expert for faculty selection in various colleges in Kerala, and acted as an external expert for Ph.D. evaluations and seminars across several universities. His administrative roles at KUFOS included Finance Officer, Public Information Officer, and Internal Vigilance Officer, among others. He led four externally funded projects, published 62 research papers, and presented papers at numerous conferences.
